PLEASE CHECK YOUR REGISTRATION

This document has three parts: a registration sticker, a cab card, and an ownership transfer for non-titled vehicles.

"VOID" will be printed on the transfer part for titled vehicles

Does the license plate number on all three parts match the number on the "APPORTIONED" plates enclosed, or the plates that are already on your vehicle?

Is all the information about your vehicle and your name, address and zip code correct?

Are the jurisdictions and the weights printed on the front correct?

If your vehicle is a 1972 or older model, is "TRANSFERABLE" printed on the Ownership Transfer?

IMPORTANT: If any of this information is incorrect, please notify New York State Department of Motor Vehicles, International Registration Bureau immediately.

The jurisdictions in which this vehicle is registered, and the registered weights, are listed on the front of this cab card in alphabetic order. This registration is valid only in the jurisdictions listed before the asterisks.
